peacefullness
library
The small villages
the 'village like' atmosphere of many communities
Organisations
It's beauty
sence of community - desire to contribute
fishing
Amenity
Heritage both cultural and natural
good hospitals
Strong community
smaller houses, larger gardens
friendliness of residents
really fresh air
Beautiful scenery/tourist/ect
I don't think there is anything very special about the Peninsula anymore.
A community of caring,interesting friends.
Unspoilt rural living that we need to protect
sense of community
Open space
interest in heritage & history of the region; social networks; Indigenous presence-past & present
Rural aspect.
all of the above
Friendly people
Family and friends
community activities,
No street lighting
The attitude of the locals
Peace, quietness and contrast surroundings to the city
Sense of community
Community Events & Activities
Friendliness of the residents
Interesting tourist site eg Point Nepean
Community
Lifestyle
Family Heritage
Community centres and Medical Centres.
Friendly people, good services for a non metro location

Peninsula Speaks Inc.

Q1 Other aspects that make living on the Mornington Peninsula special

Local Organizations
No bottle shops
The scenic roads, coastal reserves, a good planning scheme that protects the Gren Wedge, the trees.
a place to retire
Clean air
Little pollution, little light pollution - i.e. night skies
Relaxed lifestyle
Protected natural environment
Lifestyle
No air pollution
sense of community
Large interesting bays to explore
Clean air
ability to see the horizon
community based organisations eg. Probus Clubs
The Beauty and Peace of the Peninsula
peoples friendliness
great shops & factories
High productivity agriculture
The people
coastal village planning
Fresh air
friendlier neighbours and community
Boat Ramps
Friendly local community
Marina
access to the bay
No parking fees at beaches
We moved for the dirt road and dark skies and the sound of the sea!
Genuine farming activities
rare, old moonah trees
Golf courses
Not too crowded
local markets and produce
health care
Lack of concrete paths in Somers
Western Port and French Island
absence of pollution
Fresh air
Each Peninsula town has its own sense of community/identity
unmade roads and natural surface paths
Planning
Clean air
surf, and lifestyle is great for kids
golf courses
boating
recreational airport Tyabb
Greater sense of community
